INTRODUCTION ABOUT OUR COMPANY

ABOUT US

At Redex products, we take pride in being your dedicated partner in providing premium eco-friendly hotel amenities. We understand that today's travelers not only seek luxurious experiences but also value sustainability and environmental responsibility. That's why we offer a carefully curated selection of high-quality, eco-conscious products that cater to both your guests' needs and your hotel's commitment to a greener future.

OUR VISION

To be a leading solutions provider, driving innovation and sustainable growth across diverse industries, while delivering unparalleled value to our clients and partners in Sri Lanka, the Maldives, and beyond

OUR MISSION

- Our mission is simple yet powerful - to provide hotels and accommodations with premium, eco-friendly amenities that deliver an exceptional guest experience while minimizing our environmental impact. We are committed to promoting responsible consumption and fostering a deep sense of respect for nature among both travelers and the hospitality industry.

INTRODUCTION ABOUT OUR PRODUCTS

YOUR GATEWAY TO SUSTAINABLE HOSPITALITY

Our product range reflects our commitment to preserving the environment while elevating your guests' stay. We meticulously source our materials from sustainable suppliers and prioritize products with eco-certifications. You can rest assured that each item you choose from EcoHaven Amenities not only meets the highest quality standards but also leaves a positive impact on the planet.

WHAT WE OFFER?

ENERGY-EFFICIENT SOLUTIONS INDOOR , OUTDOOR FURNITURE

Enhance your eco-friendly initiatives with our energy-efficient options. From low-energy consumption hairdryers to smart lighting solutions, we offer products that help reduce your property's carbon footprint while maintaining top-notch guest experiences.

INTRODUCTION ABOUT OUR PRODUCTS

YOUR GATEWAY TO SUSTAINABLE HOSPITALITY

RECYCLED AND REUSABLE PACKAGING

Embrace sustainability without compromising on style. Our amenities are packaged using recycled materials and, where possible, in refillable containers, reducing single-use plastic waste and encouraging guests to participate in the eco-friendly journey..

INTRODUCTION ABOUT OUR PRODUCTS

**YOUR GATEWAY TO
SUSTAINABLE
HOSPITALITY**
