

## Market Insider for Medicinal Plants and Botanical Natural Ingredients Upcoming Events 2015 - 2016

**April 17-18, 2015**

### **International Turkish Quality Symposium for Organic Medicinal and Aromatic Plants Co-located with the Izmir Organic Products Fair**

The symposium will highlight Turkey's importance for the production of organic medicinal and aromatic plants (MAPs) for the international organic food and natural cosmetic markets. The focus will be on the following topics: International value chains for organic MAPs, Production situation in Turkey, Specific quality challenges of MAPs, Wild collection of MAPs, Marketing issues

Izmir, Republic of Turkey

<http://ekolojiizmir.izfas.com.tr/en/etkinlik-programlari/activity-programme/>

**April 18, 2015**

### **4th National Seminar & Exhibition on Spices & Herbs**

Exhibitor profile includes suppliers of spices, spice based products, herbs & herbal products, service providers and machinery and equipment manufacturers.

New Delhi, Republic of India

<http://nnsevents.com/index.php/conference/spices-herbs.html>

## **MESMAP-2**

(2<sup>nd</sup> Symposium on Medicinal and Aromatic Plants of Mediterranean)

**April 22-23, 2015**

### **2nd Mediterranean Symposium on Medicinal and Aromatic Plants (MESMAP-2)**

The program covers all related aspects of MAPs and NWFPs such as agriculture and forestry, botany, ethnobotany, herbal medicines, plant biotechnology, phytopharmacology, pharmacognosy, plant biology, phytochemistry, and aromatherapy.

Antalya, Republic of Turkey

<http://www.mesmap.org/>

**May 5-7, 2015**

**Vitafoods Europe: The Global Nutraceutical Event**

Exhibitor profile includes suppliers of Botanical, Plant extracts, Essential Oils, Nutritional and medicinal seaweeds and other algae, Bioactive compounds, Sweeteners, Natural flavors, Natural colors, Fruit and vegetable products, Vitamins and Minerals.

Palexpo, Geneva, Swiss Confederation

<http://www.vitafoods.eu.com/>

---

**May 5-8, 2015**

**The 15<sup>th</sup> International Congress of the International Society for Ethnopharmacology**

Topics include Arab-European intercultural ethnopharmacology, biodiversity and ecological aspects of ethnobotanical sources, ecopharmacognosy and globalization of traditional medicines, quality assurance, and traditional and modern herbal medicinal products.

Petra, Hashemite Kingdom of Jordan

<http://15icse.bau.edu.jo/>

---

**May 6-9, 2015**

**Herbs of Egypt – B2B Event and Conference**

Organized and sponsored by the United National Industrial Development Organization (UNIDO) EMAP Project, there will be sessions on medicinal and aromatic plant production, pre-processing, international requirements of quality and safety, market trends, new products and technology of production, value addition opportunities.

Cairo, Arab Republic of Egypt

<https://www.facebook.com/events/361865450674519/>

---

May 18-22, 2015

**1st Symposium on Natural Products with Impact on Animal and Human Health  
II INTERNATIONAL SEMINAR ON ANIMAL AND PLANT HEALTH**

**Themes include:** Traditional medicine, discovery and development of drugs from medicinal plants and other natural sources; Processes for obtaining extracts from medicinal plants; Decontamination of raw materials and natural products; Dietary supplements and nutraceuticals; Regulatory Issues for the Commercial register of natural products

Havana, Republic of Cuba

<http://www.sanidadagropecuaria.com/Talleres/Simposio%20Productos%20Naturales.pdf>

May 20-22, 2015

**2ème Salon des Plantes Aromatiques, Médicinales & à Parfums**

Theme: valuation of aromatic and medicinal plants in Algeria and sustainable development. The event will connect the entire Algerian medicinal and aromatic plant (MAP) value chain from production techniques, harvesting and post-harvesting, processing, implementation of standards and certification, regulations, and marketing. There will be presentations on supply, demand, market opportunities, and market structure of Algerian MAP sector.

Jardin d'Essai du Hamma, Algiers, People's Democratic Republic of Algeria

<http://aromed-algerie.com/>

May 28, 2015

**Il rosmarino: multifunzionalità e valorizzazione di una risorsa dell'area mediterranea  
[II. Rosemary. Multifunctionality and valorization of a natural resource in the Mediterranean area]**

"Aula Magna" del Dipartimento di Scienze Agrarie e Forestali di Palermo, Italian Republic

<http://portale.unipa.it/dipartimenti/stebicef/cds/scienzebiologiche2108/Convegno-della-giornata-tecnico-scientifica-su---Il-rosmarino-multifunzionalità-e-valorizzazione-di-una-risorsa-dell'area-mediterranea--/>

**June 9-12, 2015**

**6th Annual Conference of American Council for Medicinally Active Plants**

Note: This is a scientific conference and not a medicinal plant trade event.

Spokane, Washington, United States of America

<http://www.acmap.org/conference-registration>

---

**V SIVARAM  
RESEARCH FOUNDATION**

**June 15-18, 2015**

**6th Global Summit on Medicinal and Aromatic Plants**

The summit is a forum for medicinal and aromatic plant (MAP) conservation biologists, farmers, research scientists, traditional health practitioners, academicians, medical and pharmaceutical representatives, NGOs, policy makers, and government agencies.

Srinagar, Jammu & Kashmir, Republic of India

---

**June 18-21, 2015**

**TaiHerbs 2015 - Taiwan International Herb and Natural Products Expo**

**Exhibitor profile:** Chinese Raw Herbs, Medicinal Herb / Herbal Remedies, Functional Foods / Products, Biomedicine and Beauty Products, Test & Inspection Equipment, Health Care & Therapy, Raw Materials, Equipment & Related Services, Research & Development.

Taipei, Taiwan

[http://www.taiherbs.com.tw/en\\_US/index.html](http://www.taiherbs.com.tw/en_US/index.html)

---

**June 23-25, 2015**

**Scientific-practical conference: "The Cultivation of medicinal and aromatic crops. Technological and biological features"**

St. Petersburg, Russian Federation

<http://www.agrowebcee.net/map/map-news/single-news/scientific-practical-conference-the-cultivation-of-medicinal-and-aromatic-crops-technological-and-biological-features/>

---

## Healthplex & Nutraceutical China 2015

**June 24-26, 2015**

**Healthplex & Nutraceutical China 2015 (HNC 2015), co-located with Food ingredients Asia-China, Health ingredients & Natural ingredients (Fi Asia-China, Hi & Ni)**

Exhibitor profile includes suppliers of natural and botanical ingredients used in health food, nutraceutical, and natural pharmaceutical products, as well as suppliers of traditional Chinese medicinal ingredients such as ganoderma sporophore (*ling zhi*), cordyceps fungus (*dong chong xia cao*), ginseng root (*ren shen*), and edible bird's nest (*yan wo*).

Shanghai, People's Republic of China

<http://www.figlobal.com/asia-china/home/>

**June 29-July 2, 2015**

**Society for Economic Botany Conference and Indigenous Plant Use Forum**

The main theme of the conference is “*Global Vision on Indigenous Plants and Economic Botany*”. There will also be a field trip to a rooibos farm and factory in Clanwilliam, the center of the rooibos industry. Rooibos is the most important indigenous MAP crop in the region.

Clanwilliam, Western Cape, Republic of South Africa

<http://www.econbot.org/>

## 4th International Conference on Agriculture & Horticulture

**July 20-22, 2015**

**4th International Conference on Agriculture & Horticulture (Agri-2015)**

The conference theme is “Enhancing Modern and Sustainable Agricultural Practices” wherein “Spices, Herbs and Medicinal Plants” and among the listed conference highlights.

Beijing, People's Republic of China

<http://agriculture-horticulture.conferenceseries.com/index.php>

**August 12-14, 2015**

**III CONGRESO LATINOAMERICANO DE PLANTAS MEDICINALES**

Main objectives include: Medicinal plant processing technology, cultivation and marketing of medicinal plants, Identifying the needs of producers for the cultivation of medicinal plants, Public private partnerships for development of medicinal plant crop production projects, State policies to promote local development of medicinal plant production.

Iquitos, Republic of Peru

<http://www.iiap.org.pe/varionoti317.aspx>

---

**August 23-27, 2015**

**63rd International Congress and Annual Meeting of the Society for Medicinal Plant and Natural Product Research (GA)**

Budapest, Hungary

<http://ga2015.hu/>

---

**World Ayurvedic Expo**

**August 26, 2015**

**World Ayurveda Expo**

Exhibitor profile includes suppliers of herbal ingredients / medicinal plants used in the Ayurvedic system of medicine as well as manufacturers of finished medicinal products of Ayurvedic system, Ayurvedic clinics, hospitals and spas.

Hyderabad, Republic of India

<http://www.worldayurvedicexpo.com/>

---

**October 5-9, 2015**  
**Supply Side West**

One of largest trade shows with 1,700 of the world's top health ingredient suppliers and equipment companies, as well as lab-testing firms, logistics and packaging experts.

Mandalay Bay, Las Vegas, Nevada, United States of America

<http://west.supplysideshow.com/>

**October 14-17, 2015**  
**2<sup>nd</sup> International Conference on Natural Products Utilization: From Plants to Pharmacy Shelf (ICNPU 2015)**

Conference topics include: Conservation and sustainable uses of natural resources, metabolomics, genetic engineering, ethnobotany, ethnopharmacology. herbal medicine and botanical supplements.

Plovdiv, Republic of Bulgaria

<http://www.icnpu2015.cim.bg/>

**October 21-22, 2015**  
**The International Conference of Medicinal and Aromatic Plants**

Conference topics include good agricultural and collection practice (GACP) for medicinal and aromatic plants (MAPs), organic production of MAPs and impact on environment, producing MAPs according to international standards, sustainable use of wild MAPs, value addition of MAPs, saving germplasm, seedling and tissue culture production, acclimatization of new species, climate change, traditional herbal medicine practice in different societies, and more.

Desert Research Centre (DRC), Ministry of Agriculture and Land Reclamation

1 Mathaf Al-Mataria-Cairo, Arab Republic of Egypt

<https://www.facebook.com/events/416390035157658/>

**October 22-23, 2015**

**8<sup>th</sup> Shanghai International Conference on Traditional Chinese Medicine and Natural Medicine**

Hosted by the Modern Biotechnology and Pharmaceutical Industry Office of Shanghai Municipality, the conference theme is technology innovation and industry development.

Shanghai, People's Republic of China

<http://www.s-tcm.com/english.html>

---

**November 24-26, 2015**

**The 7<sup>th</sup> Conference of the International Seabuckthorn Association (ISA 2015)**

Main themes include: Seabuckthorn in environmental conservation; Seabuckthorn resources development; Post harvest management of seabuckthorn; Seabuckthorn in health protection; Entrepreneurship development for commercialization of seabuckthorn; International co-operation on seabuckthorn.

New Delhi, Republic of India

[http://www.sanddorn.net/circular\\_1\\_revised.pdf](http://www.sanddorn.net/circular_1_revised.pdf)

---

**November 27-29, 2015**

**Natural Health Food, Ingredients, Extracts, Nutraceutical Products & BIO-Pharma Expo 2015 (NFI & NHext, Bio-PhEx 2015)**

Exhibitor profile includes suppliers of botanical extracts, essential oils, nutraceutical & pharmaceutical ingredients, health food Ingredients, herbal preparations, food additives, seasonings.

KINTEX (Korea International Exhibition Center, Hall 7), Gayong City, Republic of Korea

<http://www.nfikorea.co.kr/eng/>

---

**December 3-4, 2015**

**ICMAP 2015: 17th International Conference on Medicinal and Aromatic Plants**

Conference topics will include Biodiversity, management and conservation of MAPs, Biotechnology, cultivation and industrial processing of MAPs, Quality control, Economics and Marketing, IPR and Patent Laws, Causes and consequences of over exploitation of MAPs in natural habitats

Penang, Malaysia

<http://www.waset.org/conference/2015/12/penang/ICMAP>

---

**June 9-10, 2016**

**XIV International Conference on Medicinal Plants and Natural Products (ICMPNP 2016)**

Conference topics will include: Medicinal Plants and Natural Products, Essential Oil: production and use, Medicinal Plants: identification, cultivation, genetics, taxonomy, biodiversity, Sustainable Practices in Research, Resource Management and Production.

San Francisco, California, United States of America

<http://www.waset.org/conference/2016/06/san-francisco/ICMPNP>

---

**November 29 – December 1, 2016**

**Health ingredients Europe (HiE) & Natural ingredients (Ni)**

HiE & Ni is one of leading global events for ingredients used in dietary supplements, nutraceuticals, functional foods & healthy beverages.

Frankfurt, Federal Republic of Germany

<http://www.figlobal.com/hieurope/home>

---

## PAST EVENTS

**August 27-29, 2014**

**PERÚNATURA 2014 – co-located with Expoalimentaria 2014**

Including exhibitors of Peruvian medicinal and aromatic plants and natural ingredients, PERÚNATURA is the main platform for the promotion of products developed under environmental, economic and social sustainability principles; Biotrade, Organics and Fair Trade.

Jockey Exhibition Center - Lima, Peru

<http://www.perunatura.com.pe/home.html>

---

**62<sup>nd</sup> International Congress and Annual Meeting  
of the Society for Medicinal Plant  
and Natural Product Research - GA2014**

*August 31<sup>st</sup> - September 4<sup>th</sup>,  
2014, Guimarães, Portugal*

**August 31 — September 4, 2014**

**62<sup>nd</sup> International Congress and Annual Meeting of the Society for Medicinal Plant and Natural Product Research – GA 2014**

University of Minho, campus of Azurém in Guimarães, Portugal

<http://ga2014.bio.uminho.pt/>

**September 13-19, 2014**

**International Conference on “Industrial Crops and Products” and “26<sup>th</sup> Annual**

## Meeting of the Association for the Advancement of Industrial Crops (AAIC)”

There will be a number of practical sessions on the effects of different drying methods on the composition and quality of selected medicinal plants. There will also be a meeting of the USDA Agricultural Research Service (ARS) Medicinal and Essential Oils Crop Germplasm Committee (MEOCGC),

Athens, Greece

[http://www.aaic.org/2014\\_meeting.htm](http://www.aaic.org/2014_meeting.htm)

---

**MEDICINAL PLANTS, FOLK TRADITIONS, ARCHAEOBOTANY, HISTORY OF MEDICINE, ETHNOMEDICINE, ANCIENT AND MODERN HEALING, PHARMACOLOGY, PHARMACOGNOSY, PHYTOCHEMISTRY, GEBOTANY, SUSTAINABLE DEVELOPMENT**

**September 17-25, 2014**

### **XII International Ethnobotany Symposio Peru 2014**

Conference focus will be on nutritional and medicinal plants, naturopathy and traditional medicine.

Lima and Cusco, Peru

<http://www.hum-molgen.org/meetings/meetings/6227.html>

---

**September 18-19, 2014**

### **National Seminar on Contemporary Importance of Intercropping of Medicinal and Aromatic Plants**

Main topics to be discussed at this national seminar taking place at the Dr. Sarvepali Radhakrishnan Rajasthan Ayurved University and sponsored by the Government of India National Medicinal Plants Board (NMPB) include ancient techniques of intercropping of medicinal and aromatic plants (MAPs), mixed intercropping and MAPs, row cropping and MAPs, tropical multi-tier system, and the overall importance of intercropping for MAPs.

Jodhpur, Rajasthan, India

<http://www.raujodhpur.org/pdf/National-Seminar-on-Medicinal-Plants.pdf>

---

**September 23-25, 2014**

**BÉNÉFIQ - International Rendezvous on Health Ingredients Conference and Exhibition**

Bénéfiq 2014 will include an exhibition with suppliers of natural ingredients used in natural health products, functional foods, medical foods and cosmeceuticals.

Québec City Convention Centre, Québec, Canada

<http://www.benefiq.ca/eng/>

---

**September 29 – October 1, 2014**

**Health Ingredients India – co-located with Food Ingredients India**

About 300 exhibitors and 3000 visitors are expected.

Bombay Exhibition Centre, Republic of India

<http://www.figlobal.com/en/india/features/hi-india>

---

**September 29 – October 4, 2014**

**8th International conference on Aromatic and Medicinal Plants (CIPAM 8)**

The 8th International conference on Aromatic and Medicinal Plants (CIPAM 8) will address the development of Caribbean plants under the themes Biodiversity, Traditional Knowledge, Innovative techniques and active ingredients, Economic issues, and Legislation.

Creole Beach Hotel & Spa, Gosier 97190, Guadeloupe French West Indies

<http://aplamedarom.fr/8eme-cipam-en>

---

**October 6-10, 2014**

**Supply Side West**

One of largest trade shows with 1,700 of the world's top health ingredient suppliers and equipment companies, as well as lab-testing firms, logistics and packaging experts.

Mandalay Bay, Las Vegas, Nevada, United States of America

**October 8-10, 2014**

**Health Ingredients Japan 2014**

There will be over 800 exhibitors specializing in functional, natural & organic ingredients, food additives, cosmeceuticals and more.

Tokyo, Japan

[http://www.ubm-media.jp/hi\\_stec/inquiry/visitor\\_regist-e.php](http://www.ubm-media.jp/hi_stec/inquiry/visitor_regist-e.php)

**October 9-11, 2014**

**HERBAL ASIA 2014: The 8th International Trade Show & Conference for Herbal, Green & Natural Industry - Co-located with Herbal Asia Packaging & Health Ingredient Expo and Herbal Asia Career Fair**

Exhibitors will include growers and suppliers of botanical raw materials, traders, finished herbal product manufacturers, herbal product retailers, industry associations and relevant governmental agencies. Attendees may also register for the Buyer Seller Meeting as well as the Career Fair with opportunities for knowledge workers in the herbal industry.

MATRADE Exhibition & Convention Centre, Kuala Lumpur, Malaysia

<http://www.herbalasia.biz/>

**October 12, 2014**  
**III BioTrade Congress @ CBD COP 12**

The III BioTrade Congress: *Promoting Sustainable use through Business Engagement* will discuss key trends and emerging approaches for the sustainable production and commercialization of biodiversity-based products and services.

Pyeongchang, Republic of Korea  
<http://www.biotrade.org/save.the.date.btcongress3.asp>

---

**October 14-16 2014**  
**3<sup>rd</sup> European Workshop on Sea Buckthorn (EuroWorkS 2014) “Producing Quality Sea Buckthorn”**

Conference themes include technology for cultivation and quality control of seabuckthorn berries and products in Europe.

Naantali, Republic of Finland  
<http://www.sanddorn.net/2nd%20announcement%20EuroWorkS2014%202.9.14.pdf>

---

**October 14-17, 2014**  
**7th Int. Conf. and Exhibition on Nutraceuticals and Functional Foods**

Istanbul, Republic of Turkey  
<http://www.isnff2014.org/>

---

**October 16-17, 2014**

**Shanghai International Conference on Traditional Chinese Medicine and Natural Medicine**

Hosted by the Modern Biotechnology and Pharmaceutical Industry Office of Shanghai Municipality, the conference theme is technology innovation and industry development.

Shanghai, People's Republic of China

<http://www.s-tcm.com/english.html>

---

**The 11<sup>th</sup>  
International  
Symposium on  
Ginseng 2014**

**October 27-30, 2014**

**The 11<sup>th</sup> International Symposium on Ginseng 2014**

Seoul, Republic of Korea
