## OUR VISION

To be the most customer focused Industrial Exhibition in South Asia.

## OUR MISSION

To create the largest and the most diverse assembly of Industrial sectors and to make it the fertile ground for players locally and overseas.

## ABOUT INCO

*Inco* the largest and most influential engineering related CUSTOMER FOCUSED Industrial Exhibition will present a unique opportunity to local and foreign investors, to identify suitable projects and manufactures and suppliers to meet professionals and distributors to promote their products and services. If one is accessing the market for the first time, the show provides an excellent opportunity to meet key players and appoint a quality distributor for his products and services to build up contacts or possible tieups. This exhibition will create network with industry players from different sectors. *Inco* Industrial exhibition is organized by the Institution of Incorporated Engineers, Sri Lanka.

## ABOUT IIESL

Institution of Incorporated Engineers, Sri Lanka (established in 1977) was incorporated by an Act of Parliament of Democratic Socialist Republic of Sri Lanka. IIESL has a wide opening for personnel of all levels in the field of Engineering Technology. Several Thousands of its members are holding responsible positions in almost every development programme in Sri Lanka and Overseas. Incorporated Engineers are internationally recognized category of Engineers in the field of Engineering Technology, who effectively manage the constructions, operations and maintenance functions of projects, by implementing appropriate Technology.
